Healthy Rivers as an Engine of Development in Greater Greenville

Agenda – May 2, 2006

- 8:45 am Meet at Greenville Chamber of Commerce
- 9:00 am Monaghan Mills  
Pace Burt will discuss the role of the river corridor in making the mill redevelopment project feasible and by providing a connection to downtown
- 10:30 am Mayberry Park  
Tom Keith will discuss with us the connection between park development and downtown redevelopment, particularly from the point of view of the role of better stormwater management in making the park functional and attractive.
- 11:15 am River Place  
Bob Hughes will help us develop an understanding of what it took to bring together all of the elements of success – financial, political and contextual – in a major downtown riverfront redevelopment project.
- 12:00 pm Lunch at Mary's Restaurant at Falls Cottage
- 1:15 pm Return to Chamber of Commerce
